# General Information

## Grade Examinations and Performance Level Assessments (PLAs) in

- Guitar

### **1 Prescribed Repertoire**

---

- 1.1 The prescribed repertoire lists for each instrument appear from page 13 in this publication.
- 1.2 Candidates must perform a balanced programme, which should be diverse in character and tempo.
- 1.3 Prescribed music should be purchased from the publishers, sheet music dealers or the internet. Only original printed music may be used in the examination room. Copies of all these works must be submitted to the examiner at the examination and will be destroyed afterwards.
- 1.4 Copies of all the works must be submitted to the examiner at the examination.
- 1.5 The use of music that is in public domain and downloadable from the internet is permitted provided that no copyright restrictions are being violated. The source of this piece must be indicated on the sheet music.
- 1.6 Candidates must take cognisance of the fact that photocopying of music, without written permission from the publishers, is strictly prohibited by the Copyright Act (Act 98 of 1978, as amended). Examiners may refuse to conduct the examination if the original sheet music is not present in the examination room. In such cases the examination will be downgraded to an Evaluation.
- 1.7 Examiners may listen to either an entire work or only part of it. Repeats [II: :II] need not be played unless requested by the examiner, indicated as compulsory in the sheet music or if the section is repeated in ornamented form. Da Capo sections should, however, be performed unless the examiner requests the candidate not to do so.
- 1.8 Candidates may use any edition of the prescribed repertoire.
- 1.9 It is not essential to follow performance indications such as articulation, dynamics, phrasing, metronome indications, etc., appearing in a specific edition unless they have obviously been inserted by the composer and not by the editor. When candidates use an edition with different editing, they should bring this to the examiner's attention.
- 1.10 Ornaments in prescribed works for pre-Grade 1, Grades 1 and 2 may be omitted.
- 1.11 Works by South African composers are marked with an asterisk (\*) in the repertoire lists.

## 2 Alternative and Own Choice Works

---

- 2.1 ONE alternative work may be performed for the pre-Grade 1 to Grade 8 guitar examinations.
- 2.2 Own choice works are applicable to the Performance Level Assessments only.
- 2.3 Applications to present an alternative or own choice work must:
  - be made on the official application form obtainable from the internet or Directorate Music;
  - include a copy of the alternative work concerned which copy will not be returned;
  - reach the Deputy Director (Professional), Directorate Music not later than the closing date for entries (preferably with the entry form).
- 2.4 Alternative and own choice works should match the length, level of virtuosity, musical standard and style period of the work to be replaced.
- 2.5 The University of South Africa reserves the right to refuse permission for works which do not meet any or all of the criteria.
- 2.6 Requests to present an alternative or own choice work received after the closing date for entries, will only be considered in highly exceptional cases.

## 3 Specific Requirements

---

- 3.1 **Page turners**  
No page turners are allowed in the examination venue for up to and including Grade 7 examinations. Grade 8 candidates may make use of a page turner without prior permission from the University. This person may not be the candidate's teacher or the examiner.
- 3.2 **Tuning of the instrument:** Up to and including Grade 4 examinations, a teacher may assist a candidate in tuning his/her instrument. From Grade 5 onwards, the candidate must tune the instrument unassisted.
- 3.2 **Music stands and foot stools:** Candidates must supply their own music stands and foot stools in the examination room.

## 4 Technical Work

---

- 4.1 All technical work/exercises must be played:
  - from memory
  - ascending and descending according to the specified range.
- 4.2 Scales and arpeggios must begin on the lowest possible tonic (unless otherwise specified in the syllabus) and end on the same note.
- 4.3 Scales must be played using either quaver notes (eighth-notes) throughout or the rhythms specified for scales in the new Unisa Guitar Technical Album.

- 4.4 The compass of the prescribed scales is indicated with Roman numerals which are to be interpreted as follows:
- |     |                |
|-----|----------------|
| I   | one octave     |
| II  | two octaves    |
| III | three octaves. |

## 5 Sight-reading

---

Candidates must play one sight-reading test. Sufficient time will be allowed to study the piece without playing it. In preparation to play the sight-reading test, candidates will be permitted to silently finger the notes without making a sound.

## 6 Practical Musicianship

---

- 6.1 The requirements for each grade appear in a separate publication which is available free of charge from the Directorate Music.
- 6.2 The Practical Musicianship requirements per grade are the same for all instruments.
- 6.3 The examiner will play all practical musicianship tests on a piano.
- 6.4 The candidate must play the visualisation test on the examination instrument.

## 7 Theory of Music Requirements

---

- 7.1 There are no theoretical requirements for Performance Level Assessments (PLAs).
- 7.2 The Theory of Music examinations required for the various grade examinations are as follows:

- 7.3.1 A candidate who passes the practical examination during the first examination session but passes the required Theory of Music examination only in the second or any later examination

- session will only receive the certificate once the relevant Theory of Music examination has been passed.
- 7.3.2 If a candidate passed the required Theory of Music examination at the same or an earlier examination session, the practical certificate will be issued without delay.
- 7.3.3 If a candidate only meets the Theory of Music requirement by the end of the following year, the Directorate Music must be contacted and requested to issue the practical certificate.

- 7.4 Grade 8 practical candidates who do not yet meet the Theory of Music requirement must register for the practical and theory components in the same calendar year. (Theory of Music may be written earlier.) Both Grade 6 Theory of Music papers must have been passed by the end of the following year.
- 7.5 Theory of Music Grades 6 and 7 examinations consist of two papers each. Candidates may enter for one or both papers (in any order) at any time.
- 7.5.1 Theory of Music Grades 6 and 7 candidates will retain credit for individual papers passed.
- 7.6 For all practical licentiates, a Grade 7 Theory of Music qualification is a prerequisite. Therefore both papers must have been passed before entering for the practical licentiate examination.
- 7.6.1 Candidates entering for the Grade 7 Theory of Music will have to pass both the examination papers in order for the Theory of Music qualification to be awarded.
- 7.6.2 Grade 7 Theory of Music examinations are presented in the second session of each year only.
